## Spring Term 2024 – Week Beginning 3<sup>rd</sup> February 2025

“we are all known and loved by God, all are precious in God's eyes, even before we are born.”

Psalm 139:13-14

### Communicating with school this week

We are in the process of having new software where we record all of our pupil information. The migration for this will take place from Wednesday until, hopefully Friday this week. The migration will mean that we will not have access to the texting service or the payments app. If you wish to pay via the app, or with a card in the office, please ensure they are made in advance of Wednesday. Cash payments will be accepted all week.

We will not be able send or receive any text or in app messages during this time.

### Attendance and Punctuality for week beginning 27<sup>th</sup> January 2025

**Punctuality** The school gates open at **8:45am** & close at **8:55am** please arrive on time. If the gate is locked and your child arrives through the main office doors, they are arriving late, and will receive a late mark, please avoid this and take a moment to explain to the office staff the reason.

- **194 minutes** of learning time was lost due to children arriving late for school this week. This is equivalent to half of a school day. First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day.
- Well done to years 1, 5 and 6 who had all of their children arriving on time each day.

**Remember to keep your child at home if they have a temperature of 38 or above.**

Reception	85.5%	Year 2	93%	Year 4	94.7%	Year 6	94.5%
Year 1	95%	Year 3	94.3%	Year 5	93.7%		

Well done to **Year 1 & Year 4** They will receive 10 minutes extra playtime.

Whole School Attendance: 92.9% The school & national target is 96%.

7 – 16 March 2025

### Year 5 Science

As part of British Science Week, our Year 5 pupils have been invited to participate in an afternoon of ‘Exploring Evolution’ at George Eliot Academy on Tuesday 11<sup>th</sup> March. This will take place after lunch, it is completely free and children should be back to school for 3:15pm

## All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.
