Introduction

At All Saints CE Primary School and nursery, children's wellbeing, happiness and safety are our first priority. We recognise that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

We believe that our vision, *Learning for life, building a firm foundation*, is really important and by effectively preventing and tackling bullying our school can help to create a safe environment, where pupils are able to learn, flourish and fulfil their potential. We believe that children need firm foundations on which to build in all aspects of their lives.

This policy links with several school policies, practices and action plans including:

- Behaviour policy
- Complaints policy
- Child Protection and Safeguarding policy
- Curriculum policies, such as, RSE/RSHE, PSHE, citizenship and computing
- E-Safety Policy

This policy also considers the DfE statutory guidance "Keeping Children Safe in Education" 2022.

Aims

- To assist in creating an ethos in which attending school is a positive experience for all members of the school community.
- To make it clear that all forms of bullying are unacceptable at All Saints primary school.
- To enable everyone to feel safe while at school and encourage pupils to report incidences of bullying.
- To deal effectively with bullying.
- To liaise with parents and other appropriate members of the school community.
- To ensure all members of the school community feel responsible for combating bullying.

Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986.

Definition of bullying

There should be no bullying at All Saints, if the child, home and school all work together to stamp it out. Therefore, we have a system in which to manage bullying. First and foremost, everyone needs to be fully aware of what bullying is. Bullying and falling out are different. Falling out with people is a natural part of life, experienced by both adults and children. It is OK to be different (we embrace that) and it is even OK to not like someone. It is then natural that we might fall out over differences and dislikes. Mostly,

staff will either work together with children to resolve differences or they will ask them to resolve their problems independently, depending on maturity. Whichever, we promote the concept of being civil to everyone, regardless of whether we like them or not. Bullying is where there is an imbalance of power and when negative behaviour towards someone or a group is both targeted and persistent. Our most important job is often making everyone aware of this difference!

Bullying is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

Deliberately hurtful

Repeated, often over a period of time

Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: Racial · Faith-based · Gendered (sexist) · Homophobic/biphobic · Transphobic · Disability-based	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.

- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
- Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
- Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy.
- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;
 - providing advice on blocking or removing people from contact lists;
 - helping those involved to think carefully about what private information they may have in the public domain.

Strategies to prevent Bullying:

The Environment

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognise the potential for children with Special Educational Needs and Disabilities (SEND) to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the school values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media, positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-based and discriminatory bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or affects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.
- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week.
- Provide systematic opportunities to develop pupils' social and emotional skills, including building self-esteem.

Involvement of Pupils

We will:

- Involve pupils in decision making, to ensure that they understand the school's approach and are clear about the part they play in preventing bullying.
- Regularly canvas pupils' views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.
- Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Publicise the details of internal support, as well as external helplines and websites.
- Offer support to pupils who have been bullied and to those who are bullying to address the problems they have.

Responding to Bullying concerns

The following steps will be taken when dealing with any incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied - making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The DSL will be informed of all bullying concerns, especially where there may be safeguarding issues.
- An appropriate member of staff will interview/talk to all parties involved and seek support from an SLT member or DSL.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures (CPOMS). This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Children Services or Early Help if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Supporting Pupils

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing immediate pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the DSL, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how to respond to any further concerns.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support. This may include working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or children Services.

Pupils who have perpetrated bullying will be helped by:

- Discussing what happened, establishing the concern and the need to change.
- Informing parents/carers to help change the attitude and behaviour of the child.
- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service provider.
- Sanctioning, in line with school behaviour policy. This may include: the use of levels and their consequences, exclusions, removal of privileges such as playtime or golden time. In extreme or repeated cases, fixed-term or permanent exclusions.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this may include involvement from the Police or referrals to Children Services or Early Help.

Co-operating with parents/carers

We will:

- Take steps to involve parents and carers in develop policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website.
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Monitoring and Review: Putting Policy into Practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The headteacher will be informed of bullying concerns, as appropriate.
