## All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.

## **Is my child too ill for school? NHS Guidance**

It can be tricky deciding whether or not to keep your child off school or nursery when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

For further information, visit - <https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

### **Coughs and colds**

It's fine to send your child to school with a minor cough or common cold. But if they have a fever, keep them off school until the fever goes.

Encourage your child to throw away any used tissues and to wash their hands regularly.

### **High temperature**

If your child has a high temperature, keep them off school until it goes away.

### **Chickenpox**

If your child has chickenpox, keep them off school until all the spots have crusted over.

This is usually about 5 days after the spots first appeared.

### **Cold sores**

There's no need to keep your child off school if they have a cold sore.

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

### **Conjunctivitis**

You don't need to keep your child away from school if they have conjunctivitis.

Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

### **Head lice and nits**

There's no need to keep your child off school if they have head lice.

You can treat head lice and nits without seeing a GP.

### **Sore throat**

You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.

A sore throat and a high temperature can be symptoms of tonsillitis.

### **Vomiting and diarrhoea**

Children with diarrhoea or vomiting should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).

## HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

\*Free books are subject to terms and conditions. Please contact your Book Fair Organiser or Scholastic Book Fairs for details.
