All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.
