## **Online Safety**

We have recently had a few incidents with children using Snapchat whilst unsupervised in their bedrooms at home. Please be mindful that Snapchat is designed for adults. If you do allow your child to use Snapchat then please think carefully about how and when they have access to it. See below for further tips on how to use Snapchat safely.

#### **Keeping Your Child Safe on Snapchat**

Snapchat can be fun, but it also comes with serious risks. Here's what you need to know and how to help your child use it safely if you choose to allow them access:

#### **Top Safety Tips**

- **Privacy Settings**: Set to **"My Friends Only"** to limit contacts and enable **"Ghost Mode"** to hide their location.
- **Monitor Activity**: Regularly check their contacts and shared content. Block or report inappropriate material.
- **Open Communication**: Encourage your child to tell you about anything upsetting. Reassure them it's okay to ask for help.
- Parental Controls: Use apps to monitor their usage discreetly (see top apps below).

#### The Risks

- **Disappearing Messages**: Harmful content vanishes after viewing, making it hard to monitor.
- Inappropriate Content: Children can access or share unsuitable images and videos.
- **Cyberbullying**: Hurtful messages can be sent without evidence.
- Online Strangers: Strangers can send friend requests, risking grooming or exploitation.
- Addictive Features: Streaks and notifications encourage excessive screen time.

#### **Take Action**

- Report Issues: Use Snapchat's in-app tools to block or report users and inappropriate content.
- Supervise Usage: Set time limits and regularly check their account.
- **Evaluate Readiness**: Consider if Snapchat is suitable for your child's age and maturity.

#### **Top 5 Parental Control Apps**

- 1. **Bark** Monitors social media activity and flags risks like bullying or explicit content.
- 2. **Qustodio** Offers detailed app usage reports and screen time limits.
- 3. **Net Nanny** Filters inappropriate content and tracks app usage.
- 4. **OurPact** Allows you to block apps and set screen time schedules.
- 5. **Norton Family** Provides location tracking, app blocking, and detailed activity reports

#### All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation.** We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace.**
