Year 6 Reading Challenge

Reading is a lifelong skill and at All Saints we want children to read a wide range of books throughout the year.

This guide recommends books to read throughout Upper Key Stage 2.

We would recommend that children order the books from the library.

[Join the library - Warwickshire County Council](#)

When children have read a book, they will be given a five- minute challenge to complete . Each half term children will receive reward time for the books they have read, and they will receive raffle tickets for the books that they have read. These raffle tickets will be entered into a grand prize draw in June (summer term 2).

We recognise that some children may wish to listen to audio versions on their iPad if the books are more challenging than their normal reading books. This will be encouraged as it supports a love of stories, and the child can still complete the five- minute challenge.

Please continue to support your child with their reading through the Year 6 Reading Challenge.
