Year 6

Dear families,

Several pupils have been concerned by verbally abusive comments and messages which have been shared on social media in a Year 6 group. This was brought to our attention by a concerned parent because the children were using social media and seeing verbally aggressive messages shared between children in the group.

Miss Edwards has discussed online safety with the children involved and reminded children of the action they should take if they see messages which they find distressing or concerning.

Miss Edwards will be organising some additional E-Safety and the use of social media lessons this half term.

In the interest of your child's safety and well being, please be vigilant about the messages your children are sending and receiving. Parents and carers need to be checking children's devices – phones, tablets and games consoles, to make sure that the communication between them, their peers and possibly even strangers is safe and that websites they are visiting are appropriate. Children under the age of 13 should not have a Snapchat, Instagram, Tiktok, WhatsApp or Facebook account.

Please check out the Online Safety Pages on our website

www.allsaintscephprimaryschoolandnursery.co.uk

Click on 'About us' then 'Online Safety' where you will find our E-safety Policy, lots of useful information and links including Parents' Top Tips for keeping children safe online and also links for children about keeping themselves safe online.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Lisa Harrison'.
