## Spring Term 2024 – Week Beginning 10<sup>th</sup> February 2025

"Rise up; this matter is in your hands. We will support you, so take courage and do it."

**Ezra 10:4**

### Attendance and Punctuality for week beginning 3<sup>rd</sup> February 2025

**Punctuality** The school gates open at **8:45am** & close at **8:55am** please arrive on time. If the gate is locked and your child arrives through the main office doors, they are arriving late, and will receive a late mark, please avoid this and take a moment to explain to the office staff the reason.

- **331 minutes** of learning time was lost due to children arriving late for school this week. This is almost a whole school day of lost learning. First thing in the morning is the most crucial time of the day when children settle in and find out what they will be doing that day. Arriving late for school can have a massive impact on your child's education and wellbeing.
- Well done to year 5 who were the only class to have all of their children arriving on time each day.

**Remember to keep your child at home if they have a temperature of 38 or above. For sickness and diarrhoea, children must remain absent from school or nursery for 48 hours after the last episode.**

Reception	87.2%	Year 2	89%	Year 4	90.7%	Year 6	92.1%
Year 1	89.1%	Year 3	83.3%	Year 5	93.7%		

Well done to **Year 1 & Year 5** They will receive 10 minutes extra playtime.

Whole School Attendance: 89.3% The school & national target is 96%.

### Year 2 Class Assembly

This Wednesday our Year 2 children would like to invite their families in to watched their much-anticipated Class Assembly. Please arrive promptly at 2:40pm, the children have spent a lot of time practising and can wait for you see it

The main themes of Protective Behaviours are:-

## All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.

All entries must be linked to this years theme of 'change and adapt'. Open the link below to see more information of the theme 'change and adapt'.

Children will complete their posters in school during British Science Week which takes place on from 7<sup>th</sup> - 16<sup>th</sup> March. The top five entries within our school will be entered into the competition. Entries are split into age category so everyone has an equal chance of winning with children their own age. Members of the British Science Association will shortlist entries and a panel of judges will select a winner. Who knows...It could be us!!
