5<sup>th</sup> September 2024

Dear Families,

In the summer of 2023, we wrote to families of children who were attending our Breakfast Club to inform them about unavoidable price increases from September 2023. We also gave advance notice that we would need to increase the prices again from September 2024. We have managed to delay the September 2024 price increase for the start of this school year. However, it will unfortunately be necessary for us to implement this change from 4<sup>th</sup> November 2024.

We hope that you will understand that the school does not make a profit from our Breakfast Club, but we do need to cover the running costs. As you know, food and energy prices are continuing to increase and these affect our ability to provide this service at the current prices that we charge.

**From 4<sup>th</sup> November 2024, the daily prices for Breakfast Club will increase to:**

Number of Children in the Family	Total Daily Charge
1	£4.00
2	£6:00
3	£8.00
4+	Please seek advice from the School Office

We will review our prices on an annual basis and inform you of these as they arise. A discount for siblings is currently included in the above charges. We will consider whether we can continue to do so when we next review our prices for September 2025.

We hope that you will continue to benefit from our Breakfast Club and your children continue to enjoy their time there.

Yours sincerely

Mrs Harrison  
Headteacher
