Nut Free School

Reminder - we are a NUT FREE school. Please do not send your child to school with foods containing nuts, including chocolate & nut spreads. Whilst we cannot ask children not to have nuts for breakfast, if they do, please ensure they wash their hands and face afterwards. Do not allow children to eat nuts on their way into school, where they cannot remove the residue. Nut residue can cause anaphylaxis, we have children in school with nut allergies, residue can cause a reaction. Thank you for your cooperation.

All Saints' Vision and Values Award

At All Saints, our vision is **Learning for life, building a firm foundation**. We aim to give all children the best possible start in life and encourage the whole school community to be kind and forgiving towards one another. We aim to create a happy and caring atmosphere where children can learn, grow and develop together into independent and confident children ready to flourish and build their firm foundation for life.

We want to recognise the children who are working towards our school vision and are demonstrating our school Christian values. We present two weekly awards to two children in each class every week.

The Vision Award recognises children who have worked hard and are building their firm foundations in their learning or personal development.

The Values Award recognises children who are demonstrating our school values of **Love, Truth, Faith, Hope** or **Peace**.

Attendance & Punctuality Reminder

What YOU must do:

- Telephone the school before 9:00am each day of your child's absence.
- Arrange medical appointments outside of school hours. Where this is not possible, tell the school in advance and bring in appointment cards/letters. We expect all children to be in school before and after their appointment time unless there are exceptional circumstances.
- If you are not sure whether your child is well enough to attend school, send them in anyway. We will always call you if they are unwell and they often feel better once they are at school.
- Have a backup plan for if your child misses transport or you have issues getting to school, call on a family member, neighbour or friend.
- If you and your child are experiencing difficulties with school attendance then talk to us as a first step so that we can help.
- Ensure your child arrives to school on time. School starts at 8:50am prompt. Being late to school disrupts your child's learning.
