Summer Term 2024 – Week Beginning 3rd June 2024

“Learn this lesson from the fig tree: As soon as its twigs get tender and its leaves come out, you know that summer is near”

Matthew 24:32, chosen by Pastoral Team

Feeling Safe

Some of our children have shared that they do not always feel safe when playing out in the community after school because of intimidating anti-social behaviour by older children who do not attend our school.

We are sharing this information with you so that if your children are allowed to play out in the community after school, you can talk to them to ensure that they feel safe and support them to have a plan that they can follow to find help, if needed.

Our Community Environment

As a school we really try hard to look after our neighbourhood and our community and ask for your support to do this too. When you are waiting to collect your children at home time, please do not stand on our neighbours' gardens or drives; please stay on the pavement or other public land such as the green area. If you have litter to dispose of such as cigarette ends, chewing gum, sweet wrappers or drinks bottles, please use either of the two bins at the front of school on your way to the classrooms. One bin is located directly in front of our front door and the other is next to the wooden gates to the playground. We appreciate your understanding and support to keep our entrance road and neighbours' gardens litter free and undamaged.

Art Gallery

Thank you to the families who visited our Art Gallery this week. Our children, from nursery up to year 6 worked extremely hard creating their masterpieces. If you didn't manage to come along, please log onto the Art Gallery on the school website.
