## Measles cases in West Midlands

There are still cases of measles. Please ensure you remain vigilant.

Currently Warwickshire has no confirmed cases, however we wanted to make you aware of the available resources:

1. Press release from UKHSA is on the letters sent home / parents information page of the school website.
2. Please click on the link which takes you to the main NHS page which talks about the signs, symptoms and what to do if someone is symptomatic <https://www.nhs.uk/conditions/measles/>
3. This second link takes you to posters in different languages for schools/parents <https://www.gov.uk/government/publications/measles-dont-let-your-child-catch-it-flyer-for-schools/measles-information-for-schools-and-healthcare-centres>

We hope you find this information useful. If your child is unwell and you suspect it may be a case of measles, you MUST contact your GP. Your child MUST remain away from school for a minimum of 4 full days.

**If your child has not had their MMR Vaccination and you would now like them to, or you are unsure if they should, please contact your GP to get this booked in or to discuss the vaccination with a medical professional.**
