

Summer 1- Which came first the Dinosaur or the Egg?

Parental Engagement	Key Text	Traditional Tales and Rhymes	Trips and Experiences	Festivals and Special Times
May Day Celebrations	Crunch Munch Dinosaur Lunch	The Boy Who Cried Wolf	Anthony James Model Making	Ramadan
Sports Day	First Dinosaur Encyclopedia A first reference book for children We will also be reading lots		model making	May Day
	of other stories, songs and rhymes daily.			

Our British Value: Mutual Respect

We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned, respected, and celebrated.

Characteristics of effective Learning:

Playing and Exploring - During this topic the children will be encouraged to play and explore using knowledge they already have and supported to develop a 'have a go' attitude at school.

Active learning - The children will be provided with daily activities that allow them to be active and involved in their learning. The activities will help develop concentration and attention.

Creating and thinking Critically - Our continuous provision will strongly encourage the children to explore their own ideas and to tackle a task how they feel best suit.

We have an animal for each learning behaviour. These are:

Creative Chameleon		Persevering parrot		Go for it Gorillas		Proud Peacock	
Slinky Linky Snake	S	I know Rhino	The state of the s	Exploring Elephants	(Mary	Choosing Chimps	

Prime Areas of learning

Personal, Social and Emotional Development

Personally, Socially and Emotionally we will be able to...

- Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly.
- Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate.

We will achieve this by...

Scarf Lessons- theme: Rights and Respect.
Describing their own positive attributes.
Sharing their likes and dislikes.
Listening to and respect the ideas of others.

Self-Regulation

Managing Self

Building Relationships

- Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.
- Be confident to try new activities and show independence, resilience and perseverance in the face of challenge.
- Explain the reasons for rules, know right from wrong and try to behave accordingly.
- Manage their own basic hygiene and personal needs, including dressing, going
 to the toilet and understanding the importance of healthy food choices. Work
 and play cooperatively and take turns with others.
- Form positive attachments to adults and friendships with peers.
- Show sensitivity to their own and to others' needs.

Recognising the similarities and differences amongst their peers.

Discussing why differences should be celebrated.

Retelling a story.

Talking about their family, customs and traditions.

Showing an understanding of feelings and how others feel.

To develop resilience and perseverance skills.

To grow our mind set to "keep on trying." Listening to others talk about their experiences.

Comparing their own experiences with those of others.

Recognising the similarities and differences between their home and those of others.

Being sensitive towards others.

Suggesting ways in which we can be kind towards others.

Demonstrating skills in cooperation with others.

Showing friendly behaviour towards a peer. Building relationships with others.

Small world and role play area of different occupations.

Becoming full independent in self-care by being able to use the toilet and dress themselves.

and Nurses		-1005
		Learning how and what is a healthy lifestyle
		and how to stay healthy.
		Sharing and turn taking activities.
		Speaking and listening games.
		Celebrating our school's vision and values.
		Golden Behaviour of the day.
Communication	As Communicators we will	We will achieve this by
and Language	AS COMMUNICATORS WE WITH	We will deflieve this by

Fine Motor Skills	 Use a range of small tools, including scissors, paintbrushes and cutlery. 	Promoting heathy competition between teams.
Skiiis		Using apparatus. Navigating an obstacle course. Developing ball skills such as throwing, catching, kicking, passing, batting, and aiming.
		Taking part in team games and becoming a team player.
		Daily practise putting our coats on and zipping them up. Learning and dressing for the seasons. Lots of fine motor activities such as
		tweezers, scoops and scissors to develop our finger movements.

and Nurser		PIOCER
		Jigsaw puzzles. Threading. Playdough activities. Weekly drawing activities such as drawing circles, zig zags and lines. Weekly name writing Pencil grip activities. Lots of writing tools such as paint, crayons, pens and sticks etc to draw and make marks.
		Lots of moving around rolling tyres, balls, pushchairs, parachutes and other movements.
		Write dance- moving writing tools to music and creating large patterns and shapes. Daily healthy snack including fruit and milk. Daily washing hands and learning to be independent going to the toilet and taking care of ourselves.
		Can use cutlery in the correct way. Making Seasonal themed food. Dancing and moving to songs such as 'Dinosaur Stomp'. Pretending to move like different Dinosaurs.
Literacy	As Readers, Writers and mark makers we will	We will achieve this by
Literacy	AS REGUESS, WITTERS UNG MUNICITS WE WITT	Talking about words that rhyme in the story.

Reading

Writing

Comprehension

- Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary.
- Anticipate (where appropriate) key events in stories.
- Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role play.
- Say a sound for each letter in the alphabet and at least 10 digraphs.
- Read words consistent with their phonic knowledge by sound-blending.
- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.
- Write recognisable letters, most of which are correctly formed.
- Spell words by identifying sounds in them and representing the sounds with a letter or letters.
- Write simple phrases and sentences that can be read by others.
- Learning Level 4 Phonics from the Twinkl Phonics Scheme.

Word walks-looking for signs and words around our environment.

Lots of opportunities to make marks such as designing dinosaurs.

Writing our names.

Weekly pattern drawing from letter join.

Lots of stories such Crunch, Munch

Dinosaur Lunch, etc.

Looking at information books about Dinosaurs.

Looking at fiction and non-fictions texts.

Studying a Dinosaur encyclopaedia.

Learning Dinosaur facts and making our own fact files.

Weekly library visits to share a book for enjoyment.

Story boards and maps to retell our class story.

Small world play to act out stories.

Making maps for a Dinosaur land.

Writing lists for the Dinosaurs.

Labelling Dinosaurs.

Using adjectives to describe them.

Role play area to act out and tell stories.

Daily Phonics.

Sharing our favourite books.

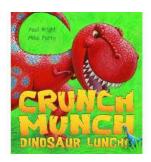

Exploring and making the different settings from the story such as where the Dinosaurs

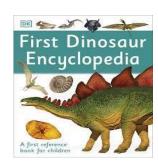

lived.

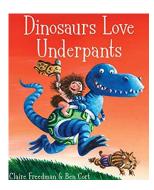

Performing poetry and rhymes.

We will be following the Twinkl Phase 3 and 4 Phonics lessons

Learning adjacent consonants.

Making rhyming strings.

Segmenting and blending real and non-sense words.

Playing Phonics games.

Writing sentences about Dinosaurs and being able to read them back.

Spelling tricky words and high frequency words correctly.

Knowing letter sounds and letter names. Beginning to use finger spaces, capital letters and full stops.

Knowing upper case and lower-case letters.

Maths

Number

As Mathematicians we will...

- Have a deep understanding of number to 10, including the composition of each number.
- Subitise (recognise quantities without counting) up to 5.

We will achieve this by...

In Reception we will be following the NCETM Mastering Maths Program.
Pupils will consolidate their counting skills, counting to larger numbers and developing a wider range of counting strategies. They

Numerical Patterns

- Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts.
- Verbally count beyond 20, recognising the pattern of the counting system.
- Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity.
- Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.

will secure knowledge of number facts through varied practice.

Pupils will:

- Continue to develop their counting skills, counting larger sets as well as counting actions and sounds
- Explore a range of representations of numbers, including the 10-frame, and see how doubles can be arranged in a 10-frame
- Compare quantities and numbers, including sets of objects which have different attributes
- Continue to develop a sense of magnitude, e.g. knowing that 8 is quite a lot more than 2, but 4 is only a little bit more than 2
- Begin to generalise about 'one more than' and 'one less than' numbers within 10
- Continue to identify when sets can be subitised and when counting is necessary
- Develop conceptual subitising skills including when using a rekenrek.

Making groups of objects and quickly recalling how many, such as the number of dinosaurs.

Subitising.

Daily counting for different purposes such as how much milk we need? or sharing the fruit.

and Nursery		
		Counting when taking the register and
		looking at 2 more/2 less than the number
		reached.
		Counting songs e.g. 5 Little Men in a Flying
		Saucer.
		Making pictures and patterns using shapes
		Exploring and making shapes- 2D and 3D.
		Comparing groups.
		Describing the size of different dinosaurs.
		Looking at dinosaurs' patterns.
		Making repeating patterns.
		Making maps and describing the route of
		the Dinosaur land.
		Positional language games using dinosaurs.
		Weighing different amounts.
		Recalling stem sentences.
		Recalling number bonds.
		Using Mathematical language.
		Being able to find different ways of making
		the same number.
		Recognising numbers.
		Practising number formation and forming
		numbers correctly.
		Using number tracks.
		Using tens frames.
		Developing doubling skills.
Understanding the World	Learning about People & the World, we will	We will achieve this by
	 Recognise some environments that are different to the one in which they live. 	Making nature collages.
	,, ,	Growing cress and other plants.

Past and Present

People, Culture and Communities

The Natural World

Talk about members of their immediate family and community.

- Name and describe people who are familiar to them.
- Say what makes their family and friends special to them.
- Identity some qualities of a good friend.
- Recall a story about a special person in Sikhism.
- Talk about members of their immediate family and community.
- Retell religious stories making connections with personal experiences.
- Share and record occasions when things have happened in their lives that made them feel special.
- Recall simply what happens at a traditional Baptism.
- Recall simply what happens when a baby is welcomed into Islam.
- Comment on images of familiar situations in the past.

Exploring different life cycles.

Finding out and sharing stories about different families.

Sharing what is special about their family and friends.

Know what a good friend is and how to be a good friend.

Going on local walks.

Talking about special times for our families e.g. Ramadan.

Using our senses to explore the season of Summer.

Exploring different materials and textures. Learning all about dinosaurs.

Growing our own fruit and vegetables.

Planting flowers.

Sharing books about Dinosaurs.

Role play areas- Dinosaur Park.

Looking at different Faiths.

Learning computer skills and labelling parts of a computer.

Learning about programming.

How to see and program a BeeBot to follow a route

Weekly assemblies with Mrs Berry and Mrs Harrison.

Godly play stories.

Daily prayers/reflection and thank you thoughts.

and Nursery	· ·	DIOCESE
	 Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps. 	Looking at different countries and comparing similarities and differences between them.
	Completes a simple program on a computer.	Looking at maps. Using the internet to find out information. Can talk about past and present events/periods of time.
	To program BeeBots to follow a set route.	overne, per read of miner
	In RE our topic is: How do people know how to treat each other? Theo/HSS/Phil	
Expressive Arts and Design	Imaginatively and as Artists, Musicians and Designers we will be	We will achieve this by
	Develop storylines in their pretend play.	Our focus Artist are Anthony James and Giles Ward.
	 Invent, adapt and recount narratives and stories with peers and their teacher. 	During our weekly Kapow music lessons we will be exploring Musical Stories. Daily sound games- listening to different sounds and making sounds using our voices
Creating with Materials	 Make use of props and materials when role playing characters in narratives and stories. 	and instruments. Constructing with a purpose in mind by
Being Imaginative and	Can plan, design and make.	planning and designing our dinosaur junk models. Making Dinosaurs using junk modelling.
Expressive	 Constructs with a purpose in mind, using a variety of resources. 	Naming and using different colours to create our paintings, collages and other

artwork.

and Iddian	Designing for different purposes.
	Using a range of different materials.
	Using different materials to build models
	and make things.
	Small world area to retell familiar stories
	and make up new story lines.
	Drawing with detail.
	Expressing how their art makes the children
	feel.
	Children to develop storylines and to make
	up their own narratives.
	Making Dinosaur biscuits.
